

What Women Need to Know

There is no need of so much misery and the worry associated with female weakness—

When in a weakened condition, anemic, with a sluggish circulation, blood impoverished and the nerves shattered, there is but one remedy to think of—

Nyal's Vegetable Prescription

Don't be continually suffering and worrying year in and year out—strengthen and fortify the system—build up the delicate organs—prepare yourself to withstand the strain accompanying the irregularities peculiar to your sex.

Nyal's Vegetable Prescription will bridge over all difficulties—supply you with good, rich, red blood, nourish and invigorate the entire system and furnish health and strength in abundance.

To insure regularity to the functions peculiar to womanhood—to correct and cure any irregularities Nyal's Vegetable Prescription will accomplish the desired results.

Investigate this remedy thoroughly, see from results that it will do just as we say

Our personal recommendation goes with every sale. The best prescription we know of, \$1.00 the bottle.

A very fine line of rubber goods, such as hot water bottles, fountain syringes, etc., now in stock.
